

"Half Day Business Focus Workshops"

Companies benefit greatly from using business leadership coaching as a supporting and business development tool to assist in creating and develop effective teams as well as strategies for business, marketing and sales.

This package includes half day (i.e. 3.5 hours), cost and time effective business coaching workshops, for teams of between 4 and 8 individuals. These deal with any one of the following areas:

- Company strategy workshop – crafting the mission, vision and values.
- Company culture workshop – improving organizational communication and trust.
- EQ (Emotional Intelligence) workshop.
